
Statistical Internship Program with a World Leader in Vaccines

Sanofi Pasteur, the vaccines division of Sanofi-Aventis, the world's third largest pharmaceutical company, is looking for bright, enthusiastic individuals to participate in its internship program.

Successful candidates will be a part of a dynamic team in the forefront of vaccine research in the areas of pandemic influenza, meningitis, cancer, and many childhood diseases.

We offer a competitive salary of up to \$5,000* per month.

We offer three- and six-month programs. Ideal candidates should have at least 12 hours of credit toward their MS or Ph.D. degree, at least a 3.5 GPA (on a 4 point scale) and good interpersonal, oral, and written communications skills.

All interested candidates should send their cover letter, résumés and official transcripts to:

Anthony Homer
