Subject: Contract Opening for Model Validation Analyst
Date: Mon, 26 Apr 2010 08:44:53 -0500
From: sreeja@nsiamerica.com

Greetings from National Systems,

We have an interesting opportunity for you from our **DIRECT CLIENT. The position & the requirement details are mentioned below.**

If you are not interested in this position, Please let me know if you have any friends who would be interested.....

Title:Model Validation Analyst

Location: Charlotte, NC

Duration:6 months

Rate:Open on W2

Description

The qualified candidate will be responsible for model independent validation and peer review of all newly-developed complex predictive models to ensure they follow good modeling practices. This will involve understanding the purpose of the model, how it works and how well it performs. The scope of the role will cover all Global Consumer and Small Business Banking models, included but not limited to Card, First Mortgage, Home Equity, Small Business, Insurance, Marketing and others. Ability to communicate clearly, effectively, and work well with people is a key requirement. The qualified candidate will work cross-functionally to enforce processes and to integrate more effective model validation processes.

Required Skills

- Masters degree in Statistics or related quantitative field
- 2 + years of modeling experience in risk or marketing area
- Proficient in risk, underwriting and marketing modeling
- Have a deep understanding and knowledge of modeling process and model performance measures
- Ability to follow up with issues and summarize discussions
- Ability to communicate clearly, effectively, and work well with people at all level

Desired Skills

- Coaching experience in a modeling group
- Project management experiences a plus
- Process skills/experience (Six Sigma) a plus
- PowerPoint skills are strongly desired

Here are some key words you should search for

Market Risk Modeling, Scorecard, Logistic Regression, segmentation, Value at Risk or VaR, consumer credit risk model, decision tree

Please send me updated word *resume*, *Expected bill rate & date of availability* ASAP if you are interested in this position.

Waiting for your reply.

Thanks & Regards
