The Department of Mathematics and Statistics at University of Nevada at Reno invites applications for a full time, state-funded career-path Lecturer position in the mathematical sciences beginning Fall 2015. Successful applicants will teach courses ranging from precalculus to advanced undergraduate levels, coordinate multi-section courses, participate in program assessment, develop curriculum, advise undergraduate students, and participate in service activities. The ideal candidate for this position should be able to mentor and motivate undergraduate students to pursue graduate education. The position will come to support the core curriculum teaching activities of the department. There will also be opportunities for research collaborations throughout the year and especially during the summer. The Department offers competitive salaries and benefits.

Our department is on the verge of a rapid expansion and is developing a PhD-program. It currently has 20-tenured or tenure-track faculty members who are active researchers in various areas of pure mathematics, applied mathematics, and statistics. We also have full-time lecturers and a number of temporary instructors. The Department offers bachelors and masters degrees in pure mathematics, applied mathematics, and statistics. The Department has a substantial service teaching function that assists all majors on campus.

The University of Nevada at Reno is a rapidly growing state-school which currently has about 20,000 students. It is located next to downtown Reno NV, a developing metropolitan area which provides a wide variety of recreational and cultural opportunities. The scenic campus is located 45 minutes from Lake Tahoe and is four hours from San Francisco and the Napa-Sonoma wine country. The surrounding countryside is a mecca for outdoor enthusiasts who enjoy hiking, biking, skiing, fishing, hunting and other activities in the exquisite Sierra Nevada Mountains.

Applications must be submitted through https://www.unrsearch.com/postings/16509. Letters of recommendation will be requested later in the process and should be emailed to shareew@unr.edu. This position will be open until filled.

All complete applicants must apply online and include the following:
1. AMS Coversheet
2. A cover letter which addresses this position qualifications
3. A curriculum vitae
4. A statement addressing the candidate’s teaching experience and philosophy

EEO/AA Women, under-represented groups, individuals with disabilities and veterans are encouraged to apply.
