#### **Description**

The Department of Computer and Mathematical Sciences, University of Toronto Scarborough (UTSC), invites applications for a full-time position in Computer Science at the rank of Lecturer, to begin July 1, 2010.

Responsibilities include lecturing, conducting tutorials, grading, and curriculum development in a variety of undergraduate courses. We are especially interested in candidates who will help advance our curriculum in the areas of computer systems, computer architecture, and software engineering.

Candidates should have a post-graduate degree, preferably a PhD, in Computer Science or a related field, and must demonstrate potential for excellence in teaching at the undergraduate level. Appointments at the rank of Lecturer may be renewed annually to a maximum of five years. In the fifth year of service, Lecturers shall be reviewed and a recommendation made with respect to promotion to the rank of Senior Lecturer. Salary will be commensurate with qualifications and experience.

Application materials, including curriculum vitae, a statement of career goals and teaching philosophy, evidence of teaching excellence, and a

minimum of three reference letters should be submitted online at [www.mathjobs.org](http://www.mathjobs.org), preferably well before our deadline of March 1, 2010.

**PLEASE NOTE THAT WE ARE ONLY ACCEPTING APPLICATIONS AT: [www.mathjobs.org](http://www.mathjobs.org)**
