

## **Tenure-Track Assistant Professor – The University of Montana**

The Department of Mathematical Sciences of the University of Montana is inviting applications for a tenure-track position in the area of statistics. A PhD in statistics or a related field with a strong emphasis in statistics, as well as a commitment to excellence in research, teaching, and collaboration/consulting, and an interest in both theory and applications. Candidates with experience in data science are highly desirable. Documented evidence of teaching excellence required. More information may be obtained from the Math Dept. office (<http://hs.umt.edu/math/>, (406) 243-5311, [azure@mso.umt.edu](mailto:azure@mso.umt.edu)).

Applications (including AMS cover page, resume, official transcripts of graduate work, short teaching and research statements, and three letters of recommendation) should be sent to Search Committee, Department of Mathematical Sciences, The University of Montana, Missoula, MT 59812-1032. To ensure full consideration, application materials should be received by January 15, 2016. Screening of applicants will continue until the position is filled.

The University of Montana is an equal opportunity/affirmative action employer and encourages applications from women, minorities, Vietnam Era veterans, and persons with disabilities. This position announcement can be made available in alternative formats upon request.
