

Department of Mathematics, Computer Science, and Statistics Data Science - Assistant Professor

St. Lawrence University invites applications for a new tenure-track position in Data Science or a related field, at the assistant professor level within the [Department of Mathematics, Computer Science, and Statistics](#), to begin on August 15, 2024. Our growing department currently has fourteen full-time faculty members and supports robust majors in Mathematics, Computer Science, Statistics, and Data Science. The ideal candidate will be able to contribute to our core courses and potentially expand our elective offerings in Data Science. The teaching expectation at St. Lawrence is three courses per semester. The university offers generous support for conference travel as well as an option for a pre-tenure sabbatical.

Qualifications include a Ph.D. in Data Science, Statistics, Computer Science, Mathematics, or a related field by August 15, 2024, a strong commitment to teaching undergraduates in a liberal arts setting, and evidence of excellence in teaching and research potential.

To apply:

1. Applicants should submit a letter of application, current CV, teaching statement, diversity statement, and research statement on <https://www.mathjobs.org/jobs/list/23319>.
2. Applicants should arrange to have three letters of recommendation submitted on MathJobs.org. At least one letter of recommendation should address your teaching.
3. Applicants must also complete a short St. Lawrence University online application form at <https://employment.stlawu.edu/postings/3495>.

All complete applications submitted by **October 22, 2023**, will be given full consideration. Applications submitted after this date will continue to be reviewed until the position is filled.

Please direct any questions pertaining to this position to Professor Ivan Ramler at iramler@stlawu.edu or to Professor Lisa Torrey at ltorrey@stlawu.edu.

Located at 23 Romoda Drive, Canton, NY, St. Lawrence University is a coeducational, private, independent liberal arts institution of about 2,400 students from more than 40 states and 40 nations. The educational opportunities at St. Lawrence inspire students and prepare them to be critical and creative thinkers, to find a compass for their lives and careers, and to pursue knowledge and understanding for the benefit of themselves, humanity, and the planet. Through its focus on active engagement with ideas in and beyond the classroom, a St. Lawrence education leads students to make connections that transform lives and communities, from the local to the global.

The University is committed to and seeks diversity among its faculty, staff, and students. Such a commitment ensures an atmosphere that is diverse and complex in ways that are intellectually and socially enriching for the entire campus community. Applications by members of all underrepresented groups, as well as from individuals with experience teaching or working in a

multicultural environment, are encouraged. St. Lawrence University is an Equal Opportunity Employer.
