

IHME Internship Program

A Unique Career
Development Opportunity

IHME Internship Program **A Unique Career Development Opportunity**

The Institute for Health Metrics and Evaluation (IHME) has an internship opportunity for undergraduate students! Please share this message with your students and anyone who may be interested in this opportunity.

The Institute for Health Metrics and Evaluation at the University of Washington offers a paid internship in Global Health that combines professional experience, education and training opportunities in order to enhance career readiness. This internship provides a unique opportunity for undergraduates to work in a dynamic and agile organization at the intersection of non-profit work, technology development, academia and research. Interns will have the opportunity to observe mission-critical work, learn from experts in the field and interact with diverse and international staff.

Internships are offer in the following areas:

1. Research
2. Global Engagement
3. Technology
4. Financial Planning
