

The Department of Mathematics at the American University of Beirut (AUB) invites applications for a tenure track position at the assistant professor level to begin August 15, 2019.

Only applicants holding a PhD in Statistics or related field and showing a strong commitment to teaching and research will be considered.

The appointments are for an initial period of four years. Visiting appointments at all ranks may be possible. The language of instruction is English.

There are 19 full-time professorial rank faculty in mathematics and statistics. The Department offers programs leading to the Bachelor's and Master's degrees. The Center for Advanced Mathematical Sciences at AUB, a few minutes' walking distance from the Department, also houses research activity in mathematics.

AUB is a teaching-centered research university. Its mission is to enhance education, primarily for the people of the Middle East, and to participate in the advancement of knowledge. The beautiful campus is located on a hill in Beirut overlooking the Mediterranean Sea, with pleasant weather year-round.

All interested applicants should upload a cover letter, a current CV, research and teaching statements, and three letters of reference to the Mathjobs website at <https://www.mathjobs.org>

All applications and letters of reference should arrive by November 15, 2018. Applications will continue to be received after the deadline, but may not receive full consideration.

For more information on this position, please visit the Department's website at <http://www.aub.edu.lb/fas/math>

The American University of Beirut is an Equal Opportunity Employer.
