Now Hiring - Residential Counselor Positions for 61st Annual Student Science Training Program at UF (UF SSTP)

UF SSTP is a seven-week residential science immersion program for academically talented high school students. Residential counselors are an integral part of our summer program providing leadership, mentorship, and supervision for the up to 90 SSTP participants. A counselor’s responsibilities are multifaceted and range from working in the CPET office, to planning, organizing, and implementing activities, to leading small group discussions and providing feedback on academic assignments, to facilitating a safe and inclusive residential environment.

Contract Dates and Compensation: SSTP Counselors will be hired for a 10 week period, beginning May 20-July 28, 2019. SSTP Counselors are provided a bedroom (shared suite) on a program-occupied floor in Beaty Towers and are paid on contract starting at \$435 per week.

Qualifications: Applicants must have completed at least two years of college and be in good standing with their college or university. Recent college graduates and students in graduate/professional school are also encouraged to apply. Applicants may not be enrolled as they must be able to commit to working 24-hours a day for the duration of the program (including overnight). Qualified applicants are students in a STEM-related field of study or graduates of a STEM-related program who have demonstrated successful leadership skills, enthusiasm for working with upper-level high school students, and effectiveness in working on a team. Applicants should have a strong academic background and be well prepared to grade, provide feedback, and assist participants with the academic requirements for the program. Seeking applicants with a positive attitude, good organization skills, the ability to take initiative and complete assigned tasks, and who also know the importance of creating a welcoming and fun community.

Applications: Link to the on-line application available at [MailScanner has detected a possible fraud attempt from "urldefense.proofpoint.com" claiming to be http://bit.ly/CounselorApp](http://bit.ly/CounselorApp). Two references, a resume, and copy of college/university transcriptions (unofficial transcripts acceptable) are requested. Selected applicants will be contacted for an interview. **Application deadline is Sunday, May 5th.**
