Assistant Professor - Statistics

The Department of Mathematics at Texas State University is seeking to hire a tenure-track Assistant Professor with a research specialization in Statistics, or a closely related field, starting Fall 2020.

The successful candidate will be expected to establish a strong commitment to high-quality research in Statistics mentioned above. The candidate must also be dedicated to the teaching and mentoring of students at the graduate and undergraduate levels. In addition, the candidate must be actively engaged in service to the department, college, university and statistical community. The starting salary will be commensurate with the candidate's qualifications.

Required Qualifications:

1. An earned doctorate in Statistics or closely related fields prior to employment.
2. Evidence of or potential for research excellence. Assessment will focus on recent publications.
3. Evidence of or potential for excellence in teaching.
4. A strong preparation in mathematics and statistics.
5. An ability to contribute to departmental missions.

Preferred Qualifications:

1. Potential for research collaboration with current faculty.
2. Evidence of or potential to obtain external funding.

Application Procedures:

Submit the following: cover letter, AMS cover sheet, current curriculum vitae, all undergraduate and graduate transcripts (unofficial ones are acceptable for initial screening), statement of research agenda, teaching philosophy, and three letters of recommendation. All documents must be submitted through mathjobs.org. For any application to be considered, the curriculum vitae and cover letter must also be submitted through the Texas State University website. The selected candidate will be required to provide official transcripts from all degree-granting universities. To ensure full consideration, all materials listed above should arrive at the required locations by October 18, 2019. However, we shall continue to accept applications until the position is filled.
