

**Position Announcement**  
**New Mexico State University**  
**College of Business**  
**Position 199846**

**Rank:** Tenure-track Assistant Professor 9-month position in Applied Statistics beginning in August 2018.

**Responsibilities:** A successful candidate will be expected to provide innovative and excellent instruction, advise graduate students, conduct and publish research (collaboratively or individually), and participate in typical university, college, and departmental activities. Willingness to participate in online and distance education is preferable. The Applied Statistics Program offers an M.S. degree in Applied Statistics and a variety of service courses at the undergraduate and graduate levels. There are many opportunities to collaborate and publish with university faculty in other fields. Further information about the Applied Statistics Master's Program can be found at <http://business.nmsu.edu/academics/graduate-programs/ms-astat/>. Departmental information is available at <http://business.nmsu.edu/departments/economics/>.

**Qualifications:** An earned doctorate in statistics or a closely related field before the start date is required. Experience in teaching applied statistics and collaborating on applied research projects is highly desired. We are particularly interested in applicants who can complement and enhance existing faculty expertise in experimental design, business analytics, actuarial statistics, time series, spatial statistics, and multivariate applications. Strong candidates in other areas of statistics may also be considered. Salary is competitive and commensurate with qualifications and experience. Women and minorities are especially encouraged to apply.

**Benefits:** Group, medical and hospital insurance, dental insurance, group life insurance, employee retirement program, worker's compensation, unemployment compensation.

**Application:** Candidates for Assistant/Associate Professor should provide an application letter that includes a statement on teaching and research interests, curriculum vita, transcripts, evidence of teaching effectiveness if available, and list 3 references who may be contacted. Submit materials electronically as Word or PDF files to: <http://jobs.nmsu.edu/postings/30319>

Offer of employment is contingent upon verification of individual's eligibility for employment in the United States. For full consideration applications must be received by March 9, 2018. Applications received after this date may be considered.

"All offers of employment, oral and written, are contingent on the university's verification of credentials and other information required by federal law, state law, and NMSU policies/procedures, and may include the completion of a criminal history check."
